Memorandum for:

The other day in New York I visited the autograph firm of Charles Hamilton at 515 Madison Avenue, and they showed me an excellent copy of a book which is outside the bounds of my collection but which I think you would like to have in the Agency if you do not have a copy. The title is --

Die Weltkriegsspionage (Original Spionage-Werk);
copyright Munich, 1931. 688 pp. Profusely
illustrated. Standard textbook on espionage.
Fine condition. Rare. Price: \$32.50, plus
shipping and wrapping charge, \$1.50 - total \$34.00.

The book is in excellent condition, and Hamilton will be glad to send it on approval if you would like to communicate directly with him on it. Please let me know either way so I can close out my correspondence.
